

# Our School App

## To install the app on iPhone:

1. Go to the App Store

2. Search for "Our School" in the App Store.

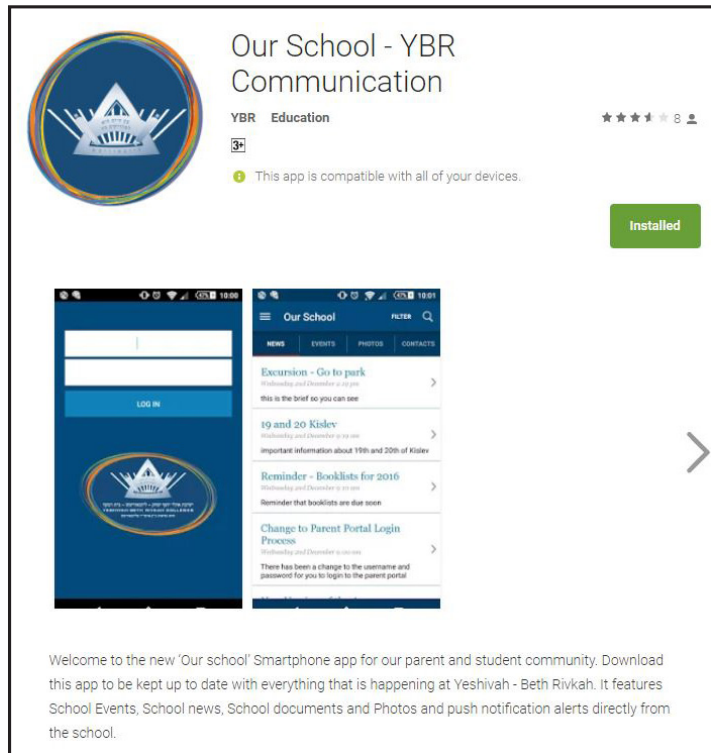

## To install the app on Android phone:

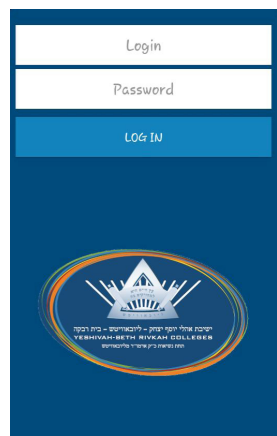

1. Go to the Google play store

2. Search for "YBR" or "Our School App" in the Play Store.

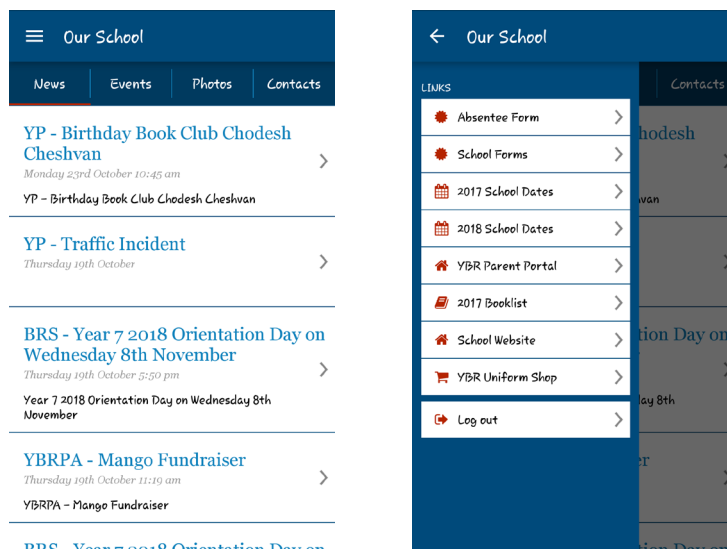

When prompted for a username and password – please enter your SEQTA username and password (your username is your preferred email address used by the school). If unsure of your username and password, please email us at michelle.blutman@ybr.vic.edu.au.

On the app, you will have access to personalised information about your child(ren) including:

- Links to common websites (parent portal, school website, dates, uniform shops etc.)
- A newsfeed – This replaces the daily emails you would have received in the past. They will be published “as they are sent”
- A photo feed – photos that relate specifically to your child’s class(es)
- Key dates – with the ability to add to your calendar
- Key contact information
- Absentee form – so you can notify the school quickly and easily of your child’s absence

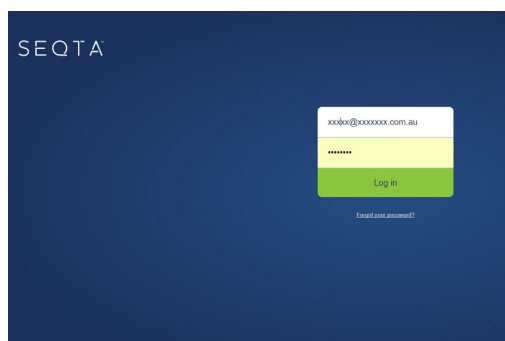

You will see these screens:

### **What is my username and password?**

- Your **username** is your registered Yeshivah - Beth Rivkah Colleges email address (i.e. the email address that you are receiving the email to).
- You were initially sent the **password** via email. If you have lost the email or forgot the password please go to <https://parents.ybr.vic.edu.au> and click on 'Forgot your password.' (Please try this before sending an email.)

An example:

### **I still can't login using the app?**

- Open the website: <https://parents.ybr.vic.edu.au> and try logging in. If your username and password work there, they should work on your phone too.
- Is the phone connected to the internet? You can confirm this by trying to use the phone's browser. You need a data connection to use the app.

Please follow all these steps before you call the office. If you are still having trouble, we will be happy to assist you.

### **New Features:**

We have recently integrated forms into the app which will be available to you if you have the updated version of the app. The forms will appear in the menu bar for you to submit. You are also able to access forms at <https://forms.ybr.vic.edu.au/>

Please be aware that your password is the same as the password for SEQTA.

The email address is the same one you have registered with the school and is the one you are receiving school communication from.

Email address (username) and password are the same for Seqta and the School App.

If you are having difficulty logging into the app, please carefully check your email for any upper case letters or spaces that should not be there. *(there is often a space at the end of the email address that may need to be deleted)*
